### 1. COURSE OUTLINE

A'Sharqiyah University internship course provides students with the opportunity to obtain practiced experience in a typical work environment. Students will gain exposure to various aspects of general business practices along with valuable industry experience. Students who have completed the required coursework will be allowed the opportunity to enhance their skills and competencies by participating in practical work in the relevant field. This process will allow the student to complement the theoretic knowledge in the classroom along with application of learned principles in a profession office environment. The Internship course is also intended to enhance the students' employment prospect

### 2. AIMS

The purpose of an internship or experiential learning experience is to enable COBA's students to gain valuable work experience within the business environment. This experience is designed to complement the course work taken so that your business education experience is enhanced. Experiential learning is an educational plan that integrates classroom study with practical work experience. It is intended to contribute meaningfully to your over-all preparation by providing an opportunity for the practical application of skills and concepts learned in classes. An internship is much more than a job; it is also a course which offers you an individualized educational experience through the study of a structured employment situation
